THE "MALPENI"- MAYING.

The Mai-fest of Monday last invites the querie, are we Americans not too. matter and fact, too much of a workingday people? The multiplication of drug stores, and the increasing annual consumption of drugs and medicines, together with the puny physique of a targe majority of the rising generation, would seem to imply a decay in bone and muscle of the people of our country which might well arrest the attention of the statesman and the philanthro-

"Ill fares the land to hastening ills a prey, Where wealth accumulates and men decay sings the British poet, and no truth in political economy is more evident than that a bold, robust and manly people constitute the state, give glory to it in peace and successfully defend it in war. In our inordinate greed of wealth and only good in life consists in the getting and spending of money? Are we not, as were the anchear Pagans, virtual and the state of this town. It has been the wind; but they may principle of life of this town. It was seen that we are running for money and against time, are wen and increasing and circumserbing our indicated and not are the time that disturb the dusty course, forgetful of the broad, inviting and healthful fields beyond, where dwell the virtues and in peace report band at a respectable private family, and runnor, though and healthful fields beyond, where the ligher attributes of our nature. Our history is full of illustrations that successful money-getting is not a royal road to happiness nor to health. There is such a thing as gifted misery, and the adjournment of the legislature, many subsections to the legislature, and the peace of the profile of the town of the affair. The successful money-getting is not a royal road to happiness nor to health. There is such a thing as given the real of the successful money-getting is not a royal road to happiness nor to health. There is such a thing as given the real to the legislature, and the province of the legislature, and the peace of the legislature, and the province of the peace of the pea luxurious case, are we not lapsing into From our Special Corresp members of the legislature, many substitutes to their book. While thus employed, and about two weeks previous to the adjournment of the legislature, are full of instances showing that the demon despair may haunt a palace as well as a hovel, and desolation tread as stenithily over the softest Turkish carpets of the drawing-room as over the bare floor of the poorest cottage. Why is it, that in this our magnificent country, blessed of heaven in every element of substantial happiness, thousands of men and women rich in worldly sands of men and women rich in worldly sands of men and women rich in worldly series as the legislature, many substitutes and the legislature, whose cardinal plank shall be the wiping of the case against Marrin, who shapped Gould in the face last week, is postponed until Saturday.

The Gould Sarria Pistent.

New York, May 6.—On application of the counsel for Lay Gould, the hearing of the case against Marrin, who shapped Gould in the face last week, is postponed until Saturday.
